

Dear Families,
11-21-11

We have a short but busy week ahead of us.

Thank you to Payton, Levi and Tanner for snacks this week.

Thanks in advance to Gunner, Landon, Cody, Connor and Jaci for next week's snacks.

We will not have a spelling test on Wednesday, however, you may wish to start practicing the new words for next week: us bus must cut cub club.

Our new reading words are: live does grow many be food.

Our class has reached the next milestone in our school wide behavior challenge!

As a reward, tomorrow will be hat day. Your child may wear a hat of their choosing (Christmas, or any other) in class tomorrow.

You will find your child's mid-term note attached to this letter.

The back of this letter contains the fluency reading for the week. Please read and mark one minute of reading; sign and return to school. Thanks to all of you who returned the sheet last week!
