

Dear Families,
11-22-10

Welcome to a short and busy week! I am amazed that Thanksgiving is almost here. Where do the days go!! We will dismiss at 2:30 on Wednesday. I hope we all have safe travel for the holiday.

Thank you to Grafton, Mrs. Cypher and Brock for snacks this week.

Thank you in advance to Wilson, Alex, Grace, Braden and Jonathon for next week's snacks.

Attached to this letter is the snack calendar for December plus two letters about some upcoming sharing opportunities.

Look for your child's mid-term report on Wednesday.

This is a review week for us, so we have no new spelling or reading words.

In addition to reviewing what we've done so far this year, we will continue our social studies unit on geography and start a unit on place value in math.
