

Dear Families,
11-28-11

Happy Birthday to Jaci on the 1st! We celebrate on Thursday.

Thank you to Gunner, Landon, Cody, Jaci and Connor for snacks this week!

Thanks in advance to Justin, Charlie, Avery, Carson B and Tristan for snacks next week.

The snack calendar for December is on the back of this letter. We will be celebrating June birthdays this month. When it is your half-birthday, Jasper sings Happy Birthday to you, you get a treat from the teacher and get to use the smelly markers all day long.

Our spelling test on Friday will cover the following words:

All: us bus must cut cub club

Group One: with then wall not

Group Two: with then don't says

Group Three: don't says water new

We will continue to work on the words: live, does, grow, many, be, food.

Will be taking a math test this week on subtraction; reading some poems, looking at seasons in science; learning more about nouns and having our 3rd Junior Achievement lesson
