

Dear Families,
4-10-12

Let's start with a couple of reminders:

- If you are attending the field trip on May 10th you will need to pay \$6 before April 20th.
- If you still have your child's spring pictures at home please return them to school ASAP.
- I finally have some pictures posted on my wiki; the link is under the picture on the home page.
- Attached to this letter is the information on the upcoming declam contest to be held on May 1st. Please help your child choose a poem, and **return the bottom portion of the information page.**

Our spelling test this week is a bit tricky. Everyone has these words: ice
nice race page edge large

Group One: home those mine day

Group Two: home those love hello

Group Three: city brown love hello

Our new reading words are: visitor remembered high become busy listen
talk eyes.

We will be working with analog clocks in math, plants in science and
homophones in grammar.
