

Dear Families,
4-2-12

Thanks to Avery, Justin, Carson B and Bella for snacks this week.

Thank you in advance to Madison, Carson G, Gavin and Natalie for snacks next week.

Our spelling test will be on Thursday. Everyone will have these words:

home hope rope rode rose those

Group One: like nine lake rain

Group Two: like nine right walk

Group Three: because light right walk

Our new reading words are: love city hello loudly brown pulled.

We are working on money in math. It would be a great help if you would let your child count a handful of change at home. It would be wonderful if they would get to buy something at the store using change. Looking at real money is so much better than play money, or money on a worksheet. Most of them are doing a nice job! You might be surprised at what they can do!

We will also finish our study of sound this week as well as learning to use words that have -er and -est added to them.

Remember, no school on Friday or Monday. Have a good Easter everyone!!

Mrs. Cypher
