

August 17, 2010

Dear Families,

The adventure of first grade has begun! I am confident that we are going to have a wonderful year!

We welcome Miss Brianna Larson to our class as a student teacher. She will be a big part of our classroom family this semester.

You can reach me at home 605-526-6627; at school on extension **** or by email eileen.cypher@k12.sd.us . I always check my email before school, in the middle of the day, and after students are dismissed.

Know that you are always welcome to visit our class; we welcome volunteers with open arms.

Attached to this letter you will find an explanation of our snack program as well as the snack calendar for August. Thanks in advance for your help on this.

Please take time to talk to your child about drinking milk at snack times. The cost is 30 cents per carton, and the money comes directly from their lunch account. This is not covered by free and reduced meals. If you do not want your child to have milk in class, please let me know.

Your child is welcome to bring a water bottle to school to be kept in their coat cubby.

Monday will be a white day. We will have PE and Art on white days, Library and Music on blue days.

I'll write to you each week. Thank you for taking the time to read each letter.

Mrs. Eileen (Mike) Cypher
