

Dear Families,
8-23-11

Let the adventure begin!!

My name is Mrs. Eileen (Mike) Cypher, and my phone number is 605-526-6627. You can reach my voice mail at school: extension 1414 or access my email eileen.cypher@k12.sd.us. I check my email before school, during the special classes at 1:00; and after the students leave in the afternoon.

Our lunch time is 11:30-11:55. We will have Art and Library on blue days, and PE and Music on white days.

If your child has her/his library card at home, please return it to school. It's \$1.00 to replace the card.

Please let me know if your child should not have milk at snack breaks. Milk is 30 cents a carton. This cost is deducted from your child's lunch account. Your child may have a water bottle at school.

We will be busy this week with getting used to first grade routines, reviewing letters, sounds and words, exploring centers, starting some listening lessons and so much more!

The following students will provide snacks next week:

8-29 Carson B. 8-30 Madison 8-31 Carson G.

9-1 Gavin 9-2 Natalie

I'll send a snack calendar for the rest of September next week.

Weekly letters, lesson plans and snack calendars are available on my wiki [**Mrs.CypherFirstGrade.**](#)
