

Dear Families,  
8-29-11

Thank you to Carson B., Madison, Carson G., Gavin and Natalie for snacks this week.

Thanks in advance to Issiah, Annuh, Payton and Shayne for next week's snacks.

We have 20 students in our class.

There will be no school next Monday.

Please remember to empty your child's folder each day and return it to school, thanks for your help in this.

Thanks to all who've been able to return your paperwork. If you haven't had a chance to do this yet, please do your best to get it to me by Thursday.

Homecoming T-shirt orders are due by Friday.

We are getting used to first grade! We were very busy last week; I think I was even more tired than your children by Friday! This week we will keep busy with: listening lessons, handwriting work, review work of letters and words from kindergarten, addition in math and animals in science.

If you do not need a hard copy of this letter each week, please let me know; it's available on my wiki [MrsCypherFirstGrade](#) .

Mrs. Cypher
