

8-30-10

Dear Families,

Please return any book orders by this Friday.

There will be NO SCHOOL next Monday.

Thank you to Alex, Molly, Grace, Braden and Jonathon for this week's snacks.

Thank you to Chelsea, Kayla, Mrs. Cypher and Jacob for next week's snacks.

Attached to this letter you will find the menu and snack calendar for September.

If your child has a library card, please send it to school. Thanks.

Were your children as tired last week as we were? They asked us on Friday if we could have nap time in first grade! :-)

We will be busy this week with poetry and rhyming words; reviewing consonants and vowels; reviewing these words: this, me, for, where, do, you, one, see, what, two, up, down, out, who, are, they, and, there, give, little; continuing with addition in math; taking our first math test; learning about animals; practicing first grade printing; and working on our listening lessons. I think we will need nap time!

Our schedule has changed a little bit. We will have PE and music on white days; art and library on blue days.

Please be sure to read both sides of this letter!
