

Dear Families,

Thank you so much for volunteering to help with our special events this year. Please get in touch with each other to plan each party. You'll need to provide a healthy snack, something to drink, and the cups etc. to serve the snacks. You also need to plan several games or activities. Our class is used to working in small groups and centers, and rotating from one thing to another. I am more than willing to help with anything you need. Just give me a call. If you are not able to help, please let me know.
